

CARBON MANAGEMENT

Southwest Research Institute (SWRI) Industrial Processes Emissions Reduction (IPER) Technology Workshop:
Carbon Capture Panel Session

San Antonio, TX, USA 29-30 January 2025

MAKE A DIFFERENCE.

JOHN M. REPASKY | 1POINTFIVE

PRINCIPAL AND DIRECTOR
TECHNOLOGY DEVELOPMENT

DISCLAIMERS

This presentation has been prepared by or on behalf of 1PointFive solely for informational purposes. This presentation is not an offer to sell equity or other securities, or a commitment to sell equity or other securities, nor does it obligate any party to enter into such a commitment.

Neither 1PointFive nor its affiliates make any representation or warranty, express or implied, with respect to the information contained in this presentation. This presentation does not purport to contain all of the information that may be required or desirable to evaluate all of the factors that might be relevant to a potential action, and any recipient hereof should conduct its own due diligence investigation and analysis in order to make an independent determination of the suitability and consequences of any action. 1PointFive reserves the right to amend, update or replace all or part of the information in this presentation at any time, but 1PointFive shall not be under any obligation to provide any recipient of this presentation with any amended, updated or replacement information or to correct any inaccuracies herein which may become apparent.

This presentation contains forward-looking statements based on 1PointFive's current expectations, beliefs, plans and forecasts. All statements other than statements of historical fact are forward-looking statements. Words, and variations of words, such as "can," "will," "may," "expect," "intend," "plan," "commitment," "target," "develop," "goal" and similar expressions are intended to identify these forward-looking statements, including, but not limited to, statements about 1PointFive development plans. These statements are not guarantees of future performance as they involve assumptions that may prove to be incorrect and involve risks, assumptions and uncertainties that are subject to change in the future. Factors that may affect 1PointFive's business and these forward-looking statements can be found in Oxy's filings with the U.S. Securities and Exchange Commission (SEC), including its most recently filed Annual Report on Form 10-K, which may be accessed at the SEC's website, www.sec.gov. 1PointFive disclaims and does not undertake any obligation to update or revise any forward-looking statement in this presentation, except as required by applicable law or regulation. Inclusion of information in this report is not an acknowledgement that such information is material to an investor in Oxy. References to third-party goals or frameworks is not an endorsement or adoption of such goals or frameworks unless expressly stated otherwise.

BUILDING A CCUS PLATFORM ACROSS THE CARBON CAPTURE VALUE CHAIN

DAC 1 – STRATOS

Expected commercially operational mid-2025
